from the general manager

Johnny Wilson

June was a very busy month and the Country Club. One of the highlights was the Junior Summer Camp with over 70 kids. They participated in golf, swimming, and tennis. It was a really fun week for all who were involved. I think that all of the kids, the staff, and the volunteers were worn out by week's end. Thank you to the many people who volunteered their time.

The Firecracker also started the last weekend in June. At the time of this writing, we had 102 entries and a large group of sponsors. It looks like it should be a very successful event. Mother Nature also helped at the end of June with over an inch and a half of rain but, unfortunately, she also gave us high winds which brought down limbs and damaged the Firecracker sponsor sign.

June also brought the first official month of the swimming pool and it has been very busy. It has also hosted a few parties, so if you would like to have a party by the pool please call Lisa to schedule the event.

Friday nights in the Lounge and the Dining Room are becoming quite popular. Lisa suggests that you call for reservations for evening dining, especially Friday evenings. This will help staff in preparations, resulting in the best experience possible.

As usual, July appears to be one of our slower months in terms of special events, but that does not mean that you cannot golf, use the swimming pool, or use the clubhouse for lunch or dinner. With the summer heat, the pool and the clubhouse will be great places to beat the heat.

golf course news

Bo Baize

It's that time of year again as preparations are under way for the 51st Annual Firecracker. The maintenance crew is working diligently to provide the best playing conditions possible and excitement is in the air. We are expecting a large turnout and will provide a fair and honest test of golf. I hope everyone enjoys the club and has a great Fourth of July holiday celebrated with family and friends.

Professional Golf Services workers are almost finished with the irrigation installation repairs and will be packing up and leaving soon. They have some sod work yet to do and are going back over all the trenches they backfilled with fertilizer to aid with the grow-in process. Thank you for your patience with them.

We have been maintaining the chipping green the same as our regulation greens for a while now and I believe it is safe to open. It still has some filling in to do but is available to practice your short game on now.

The dog days of summer are upon us and I ask that we try to scatter cart traffic as much as possible when not on the cart path and please keep the carts a minimum of 30 feet from all tees and greens. The turf is under the most stress this time of year and it also receives the most compaction. Any efforts to reduce the damage would be greatly appreciated. Many thanks and I will see you all on the course.

board minutes

The board held their monthly meeting Thursday, June 14. All committee reports were presented. The annual stockholders meeting was scheduled for Thursday, July 19.

Welcome New Members

- Brian Brinkman**
- Patrick Gleason**
- Philip & Kirsten Greene**
