Well we are definitely into summer with temperatures on the rise. This brings on a great time to join in at the pool. Our lifeguards are on duty to assist in any manner. They are now taking your orders and turning into wait staff who will process your order and bring to you. Pool parties are welcome during normal operation hours or after closing and we encourage you to reserve/schedule yours with Lisa. Parties during normal hours have no expense for lifeguards and when a minimum of \$200.00 is spent on food/beverage there is no charge for guest, however if the minimum is not met we do charge \$5.00 per quest if you have 10 or more. Less than 10 guest is \$7.00 per guest. Private parties after hours there is an expense for the lifeguards on duty.

Our membership drive has been extended until July 1st. We have increased membership by 40+ as of this date. It has been very successful and a big thank you should go out to David Towe and his committee. We are still seeking new members, so if you know of anyone that may have an interest please just give us the name and we will follow up on it.

Now that we are into July it brings us up to one of the most critical time for our budget, the FIRECRACKER GOLF TOURNEY. Volunteers are still needed so contact the club if you can help out in any way. We still have openings in all flights and encourage players to please get entries in, your calendar will outline this events. The fireworks display is scheduled for Friday July 3rd. It should start right at dark 9:00. On Saturday night the hypnotist will be here for a great entertaining evening at 8pm. Cost for non-participants of tourney will be \$20.00 each. Our menu will still be available but I might suggest you make reservations if possible. We really look forward to a great weekend and hope to see everyone out this year.

Our Junior Clinic was held June the 9th and we had a great turn out. Special thanks should go out to Johnny Wilson, Becca Wyatt, Amber Bangs, Kevin Farmer and all of Johnny's volunteers that made this such a success. Kids enjoyed instructions in golf, tennis and swimming. We look forward to doing this each year. Other than a few sunburns it was enjoyed by all that attended.

board minutes

In their monthly meeting June 16, the board voted to hire a full-time qualified greens superintendent. A three person search committee of Blake Dutcher, Mike Duncan and Johnny Wilson has been formed.

Board members hope that all stockholders will be able to attend the annual stockholders meeting on Tuesday, July 14, beginning at 6:00 in the ballroom. We will have brief reports from the president and the four committee chairmen, a vote on a proposed Bylaws change, and the election of new board members. Please take this opportunity to ask questions or voice opinions about any of your concerns at the club. Plan on staying after the meeting to enjoy a fine meal. If you are unable to attend, please make sure you sign the proxy that is being mailed to you and return it to the office. If you need another copy or have any questions, please contact Janell at 353-2076.

golf course news

Johnny Wilson

The month of June was very busy. We have been mowing, fertilizing, verticutting and rolling the greens. We will also be spraying teeboxes, and if we have the time we will plug some of the bad spots on 7, 13 and 18 greens. **{4035}**

We would also like to especially thank those members who have devoted their time and efforts to get ready for the Firecracker.

As far as the golf shop, we have been very busy with our tournament schedule as well as getting ready for the Firecracker and it appears that things are progressing nicely. We have received some new clubs over the last couple of months as well as some demos so feel free to come by and check them out. Finally, if you feel like your golf ball is not right for you, I encourage you to try the new Callaway balls. They are amazing and the feedback has been excellent. This is also one of the Firecracker tee prizes. Let's have a great July and we will see you at the course.
