Range

Tue. - Sun.	8:00 - 6:30
-------------	-------------

from the general manager

Bill Stamps

Wow, what weather we had for the month of May! It's good to know that all our lakes and ponds are full, but we would like to see some sunshine for awhile. We had to postpone some scrambles, but they have been rescheduled in June and July.

The Mother's Day Buffett was a very successful event, thanks to Lisa and her staff. Thanks to all the members and their guests that attended. Although the weather was not very cooperative, the Cinco de Mayo celebration had a pretty good turnout.

Looking ahead, we have some important dates to remember. Our pool opening has been postponed due to a severe water leak. As soon as repairs are made, we will notify you of the opening date. Hours will be from 11:00 to 7:00 Tuesday through Saturday, and 11:00 to 5:00 on Sunday. Please make sure that you register with a lifeguard when you come to the pool.

The Junior Clinic is set for Tuesday, June 9 through Friday, June 12. Participants will golf from 10:30-11:30, lunch from 11:30-12:30, play tennis from 12:30-1:30 and swim from 1:30-3:00 each day. There will also be a Junior Clinic Family Play Day on Saturday at 2:00. To register, contact Johnny in the pro shop (353-2073) or call the office (353-2076). It's available to members and non-members. **{348}**

As most of you know, we are currently conducting a membership drive. We have picked up several new members and some more have rejoined, however we still need more members. Effective June 15 the \$1200.00 initiation fee will be reinstated, so now is the time to join and save. If you know of anyone that you think might be interested in joining, please contact me.

David Anderson continues to bring in good crowds on Saturday nights in the lounge, so come check this out. It is a fun-filled, casual atmosphere. We have plans to bring out the small dance floor for those of you that want to dance a little.

July will bring out our biggest event of the year, the 48th Annual Firecracker Open, and I encourage all of you to please participate in any way you can. We need volunteers, sponsors and participants to help make this successful. It has been a tradition to have a fireworks display during this time and you will notice on your June statement there is a \$35.00 VOLUNTARY donation to help fund it. Our fireworks are scheduled for Friday, July 3, so plan on attending. On Saturday, July 4, we have a hypnotist scheduled for a fun evening at 8:00. This has been a great event in the past. Charge will be \$20.00 per person (unless you are a participant in tournament).

Lisa is making plans to start "cooking classes." This will be a fun evening involving cooking instruction, dining, and probably some adult beverages. You will be notified as soon as a date is set for the first class.

golf course news

Johnny Wilson

The month of May has brought almost 20 inches of rain. So therefore we haven't had a lot of golf or any tournaments. Because of this, June will be a very busy month if the rain lets up.

All apparel is still half off, so remember Father's Day is June 21st. We also have received some new wedges and putters.

On the golf course, the plan is to mow, mow and mow, but we also plan to verticut and sand.

board minutes

The board met May 19. Most of the meeting was comprised of standard committee reports. A motion was passed to explore establishing reciprocity with Duncan Golf and Tennis Club. This would allow members of each club to visit the other facility and charge it to their home club's account.

Board members also discussed some recent incidents involving club members being overly critical to staff personnel. Board members want to express their gratitude to all of our staff for the tremendous job they have been doing, and remind club members that complaints should be presented in a civil manner to the general manager or a board member.

Welcome New Members
