The April showers were very nice, and activity started picking up at your club. The Easter Buffet was really nice with a great response from the more than 200 members and guests that attended. The House Committee, headed by Liz Wyatt, did a wonderful job decorating, and they also arranged for the Easter Bunny to pay a visit. Accolades also go out to Lisa and her staff who prepared a wonderful meal. We also had two very nice wedding receptions, two good Monday golf scrambles, and a fun MGA 4 man scramble.

Looking ahead to May, we have several special events planned. See details below for Cinco de Mayo on May 5, the Mother's Day Buffet on May 10, and the Membership Drive Open House on May 19. Our membership drive is scheduled for May 1 through June 15. Please see the additional insert in this mailing for details. I encourage all members to participate. We want to express our gratitude to Lisa Marion for the outstanding job she has done in elevating our food and beverage operation to a level that is generating renewed excitement for our members. The food and service is better than ever and the golf course is in the best shape it has been in years. The time is right to recruit new members.

The tennis courts have lights being installed. More on this as it gets nearer to completion. Our pool is scheduled to open on Memorial Day weekend and staff is being hired. Should anyone know of certified life guards, we are taking applications now. Guidelines on the pool usage are being compiled and will be put out as soon as completed. Guest fees for pool and tennis will be set at \$7.00 each this year.

There have been some concerns about under-aged patrons in the lounge. I want to remind members that the ABLE Commission prohibits anyone under the age of 21 to enter lounge area or sit at the bar in the 19th Hole. The Dining Room, Ballroom and most of the 19th hole are available for anyone under the age of 21.

## golf course news

### Johnny Wilson

April was a very exciting month at the club, and we are anticipating and even better May. The deep core aeration of the greens (as well as the driving range tee area) is scheduled for Monday, May 4. The entire course will be fertilized early this month, as weather permits. As always, we continue to repair leaks and make other repairs in the irrigation system.

The MGA will be hosting a Two-Man Low Ball tournament on Saturday and Sunday, May 16 and 17. Please note that we will be hosting the annual Law Day tournament Friday, May 8. Participants will be teeing off throughout the day, so please call to make a tee time.

The annual Junior Clinic is scheduled for Tuesday through Friday, June 9-12. The daily schedule features a session of golf, followed by lunch, then tennis and swimming. All ages are welcome! Cost for the week is \$80.00 for members and \$100.00 for non-members.

All apparel is still on sale at 50% off in the pro shop. There will be a Ladies Trunk Show Tuesday May 19 at 12:00 in the Lounge. All ladies are invited. If you have any questions about anything, please call the pro shop at 353-2073.

## board minutes

The board met April 21. In an effort to simplify the explanation of our dues structure to potential members during the membership drive, the board voted unanimously to combine the monthly dues and the monthly capital fee charge into one "dues" charge each month. The total billed to each member will remain exactly the same.

The board also voted, in a 4 to 3 vote, to accept the applications of seven golf pass participants who had submitted their applications on the Wednesday following last month's board meeting in which the golf pass program was frozen. {4030}
