Range	
Tue. - Sun.	8:00 - 5:00

from the general manager

Johnny Wilson

It is amazing that Thanksgiving is already behind us and Christmas is right around the corner. Before we know it, it will be 2019. As is usually the case, December is going to be a very busy time at the club. Due to the large number of holiday parties, there are times when the Lounge, the Dining Room, or the 19th Hole will be closed for a private event. We have tried to list all of those on the calendar on the back of this sheet, but if you are coming to the club for a meal or a drink, you might want to call (353-2076) to make confirm a room availability.

Sunday, December 2 is the date for the annual Christmas Brunch with Santa. Santa will be here from 11:00 to 1:00 for those who want to get a picture or just say hello. Lisa and her staff will be preparing another fabulous buffet. On Wednesday, December 5, we will be hosting our Member Appreciation Night in the Lounge and Pro Shop Christmas sale from 4:30 to 6:30. David Anderson will provide live music and Lisa will be preparing some delicious complimentary hors d'oeuvres. We will once again be offering deep discounts (based on your roll of the dice) for all in-stock items in the Pro Shop.

Finally, on Monday, December 17, we will be having the employee Christmas party. Board members serve as hosts, and Billy Sims Barbeque caters this annual event that has become a big hit with all of the employees. Thank you very much to those of you who elected to participate in the optional contribution to the employee Christmas bonus.

If you would like to welcome in the new year, Lisa is planning a night with some wonderful dinner specials on Friday, December 28. Reservations are encouraged.

Please note that the club will be closed Christmas Eve, Christmas Day, New Year's Eve and New Year's Day.

From all the staff to all of you, we wish you a very Merry Christmas and a Happy New Year. **{#10610}**

board minutes

The Board of Directors met Thursday, November 15. All committee reports were presented. Board members agreed to add an optional \$25.00 charge to each member's December statement for employee Christmas bonuses. The employee Christmas party was scheduled for December 17. The next board meeting was scheduled for Thursday, December 20.

golf course news

Bo Baize

It is certainly late fall now with leaf cleanup as a daily event out on the course. Just when the crew thinks they are getting ahead on them, the Oklahoma wind rears its ugly head and changes their mind. The good news is, this trend will soon end as eventually the trees will be empty, clean up completed, and old man winter here to stay.

Winter's arrival will also bring the greens covers out to protect our regulation warm season greens from desiccation and turf loss. Winterkill is a serious threat to all clubs in the transition zone that have hybrid Bermuda grass greens. We will do everything in our control to protect the turf and club from any setbacks.

During the periods of extreme cold when the regulation greens are covered, there will be temporary greens painted into the closely mown fairways and 8 inch "bucket cups" available for all members and guests to play. This provides an opportunity for a different look and challenge while still keeping your swing loose and grooved during the off season. The maintenance crew will be prepping these temp greens soon. Once you see them painted, please take a free drop out of them if your ball comes to rest within one. This way we can avoid any divots being taken out of our temp greens and making putting on them that much more difficult.

I hope you all had a wonderful Thanksgiving spent with family and friends and I would like to wish everyone a Merry Christmas and prosperous New Year.

Brunch with Santa
